Healthy Community Council
Theme Prioritization Worksheet

1 .Rate each of the 8 themes on a scale of 1-4 in the three aspects on the left column. (1= low, 4= high).
2. Total each column.
3. Circle the highest numbers in the Total line below.

Theme → **Aspect** ↓	Promote planned growth and "green" infrastructure	Decrease risky behaviors in children and youth	Assure access to affordable health and mental health care for all	Develop regional public transportation system	Actively integrate and assimilate diverse cultures	Increase availability of affordable, accessible housing	Eliminate homelessness	Reduce incidence of obesity in all ages
Magnitude *Number of persons impacted or potentially impacted by the issue*								
Consequences *Impact on persons, families and community if not addressed*								
Feasibility *Potential resources to address issues (manpower, money, political will)*								
Total of each column:
